

SCINTILLA

Toilet seat wipes dispenser

SCINTILLA dispenses virucidal/bactericidal toilet seat wet wipes. The specially impregnated wipes kill 99.99% of bacteria found on toilet seats and conform to European bactericidal and fungicidal standards. Simple and effective the toilet seat wipes are dispensed via a single wipe dispensing aperture to minimise waste.

SCINTILLA cares for the well-being and comfort of the end user. The unit is available in Kennedy's full range of attractive finishes.

Finishes available
