THE PROFESSIONALS CHOICE FOR
CLEANING HARD TO REACH AREAS

Difficult Tasks Made Easy With Caddy Clean®

Compact, lightweight and versatile scrubbing machine. Cleans and polishes where heavier, mains powered machines cannot access. The **ergonomic** handle makes it ideal for cleaning areas where manual methods would usually be used. **Optimise productivity, save time** and provide cleaners with the freedom to tackle stubborn dirt on staircases, hard-flooring, baseboards and around those 'hard to reach' areas around toilets and baths.

- Battery powered device with 12v in-car charger
- Battery time 2-3 hours depending on use
- Telescopic handle from height 4' 0" to 6' 10"
- Transforms into a hand held device
- Ergonomically designed
- No trailing cables, a winner for risk assessments
- Low weight - 1.7 kilos
- Adjustable angles
- Developed for professionals
- 1.7L solution tank and carrier bag sold separately

THE PROFESSIONALS CHOICE FOR CLEANING HARD TO REACH AREAS

DIFFICULT TASKS MADE EASY WITH CADDY CLEAN®

**1 YEAR
GUARANTEE**

WHAT'S IN THE KIT?

Robert Scott

SCRUBBING MACHINE

Scrubs and polishes where larger heavier and mains powered machines cannot access. Ball bearing drive rotates the brushes. **(Sold as a kit)**

HAND HELD ATTACHMENT

The low weight design makes it ideal for cleaning restricted areas. Simply attach the scrubbing machine head for portable cleaning. **100482.**

BATTERY w/ CASE & BELT CLIP

The heavy duty 12 volt DC battery lasts up to 2 hours and has a handy belt clip to hold it in. **100472.**

CHARGER

Re-charge your battery with the charger included in your kit. Full charge can be achieved in approximately 2 hours. Can also be plugged in your car. **100476.**

RED PADS X2

Abrasive scrub pad that can attach to the scrubbing machine tackling tough dirt and grime to leave a shiny, polished surface. **102544.**

MICROFIBRE PADS X2

Microfibre pad attachments for the scrubbing machine. Picks up dust and dirt whilst buffing tiled surfaces. **100489.**

LIGHT BRUSH X2

For lifting light stains from surfaces. Simply attach the brushes to the scrubbing machine and away you go! **100499.**

STANDARD BRUSH X2

For lifting tougher dirt and grime from surfaces. Simply attach the brushes to the scrubbing machine and away you go! **100471.**

**SOLD
SEPARATELY**
