

PL77MBS

Brushed Stainless 50 Ltr Wastebin with Flap Lid

Product Features:

- Free Standing or Wall Mounted Wastebin
- Counter balanced flap bin lid
- Brushed Stainless Steel
- 304L Grade Stainless Steel / 240g
- Internal bag strap for liner
- Ideal for commercial kitchens

Manufactured in the UK

This stylish and high quality waste bin will take all general and paper waste in all high traffic and commercial areas.

Equipped with a flap bin lid to make the overall finish look slick and neat whilst helping to stop any odours and viewing any waste. After each use of the bin the counter balance flap returns to it's closed position.

The lid is easily removed to make disposing of waste effortless and making for a better, cleaner environment. Can be easily placed free standing or wall mounted. The unit can either be free standing or wall mountable for extra security.

Made in a quality brushed stainless steel finish.
