

**Waste receptacle with swing top + ashtray steel white / grey epoxy**
**Código:** PP0987

**General description**

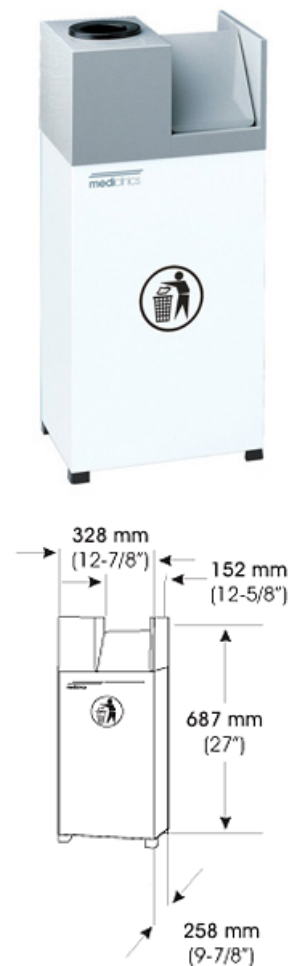

- Waste receptacle with swing top and ashtray, 55 L of capacity, floor standing, steel white / grey epoxy coated.
- Suitable for lavatories and in-doors public areas with very high traffic.
- Model suitable for public use.
- When set in a lavatory, it generally goes along with a paper tissue dispenser and complemented by a warm air hand dryer.

**Components and Materials**

- Steel white epoxy-polyester 75 µ coated one-piece body, 1 mm thick. Capacity 55 L. For standing on the floor.
- Steel grey epoxy-polyester 75 µ coated top, 1 mm thick with swing lid manually operated. The top retains the waste bag in its place.
- Removable ashtray in black colour located on the top.
- Black thermoplastic feet, 4 units, that isolates the bottom of the waste receptacle from moisture.
