Smart and Sassy

SaniPod™

SaniPod™ is a revolutionary sanitary disposal system that answers the very sensitive question faced by women: how to dispose of sanitary products hygienically, responsibly and easily?

Traditional sanitary bins are often regarded as unhygienic, unsightly and difficult to operate. **SaniPod™** is the solution to this disposal dilemma. Visitors to a **SaniPod™** washroom are assured that they are visiting a healthy environment, in an establishment that cares for the wellbeing of their customers and staff.

The **SaniPod™** system combines designer style with flawless functionality and is available in white and black in two styles: **Pod™ Petite** and **Pod™ Classic** with a choice of touch-free and manual models.

Pod™ Petite

Pod™ Petite is designed specifically for the smallest washrooms or where daily/weekly servicing is required.

It incorporates all of the **SaniPod™** elements in just a fraction of the size.

Available with **SaniPod™** wraps for added washroom flair and unique liners for an efficient service process, **Pod™ Petite** is a complete sanitary waste disposal system with inspirational design inside and out.

Inspirational design inside+out

Contemporary slim-line form complements all washroom décor.

Opening simplifies the unobstructed posting of waste. Minimises sight into the unit. Discourages disposal of general rubbish.

No modesty tray eliminates unsightly surfaces and potential trapping of sanitary waste. 100% capacity.

Proprietary liner cassette – simple to install, clean and service.

Compact wall-mounted design: greater utilisation of washroom space; ease of cleaning under and around unit.

Ergonomically accessible from both standing and sitting positions.

Discreet locking mechanism minimises tampering and spillages in cubicles.

No harmful sharp edges and no exposure to waste – protects cleaners when servicing.

No more toilet blockages or expensive plumbing call outs.

Extensive battery life

up to **2** years operation

over **100,000** cycles

from **4** x D-size Batteries

Superior Capacity (PER LINER)

Tampon	Approx. 220	Regular Pad	Approx. 40

Pod™ Petite Liner Cassette

- Easy to install and service, the liner cassette offers complete protection for service personnel with zero exposure to waste.
- The continuous liner is perforated and gently scented.
- Liners are flexible, strong, tear-resistant and made with 20% recycled materials. Formed from biodegradable plastic, they will degrade and disappear in a short timescale (1-5 years) leaving no fragments, no methane, and no harmful residues.
- Pod™ Petite – the simple, smart, safer choice for your washroom and the environment.

Quick, simple 3 step service process

A first-class experience for women

- Touch-free operation
- Activates first time, every time, and only when required – guaranteed
- Silent operation ensures discretion
- Minimises risk of cross-contamination
- Smart chip technology in wall bracket
